

JPAG symposium programme

Tuesday 17th November 2020

JPAG pharmaceutical analysis research awards 2020

VIRTUAL EVENT : 1pm-4pm (UK BST)

JPAG presents the fourth pharmaceutical analysis symposium for postgraduate students and early career stage scientists, including those in industry. This will provide the opportunity for delegates to showcase their work and network with peers, academics and industrial scientists through oral and poster presentations. There will be a £1,000 first prize and £250 second prize for the best oral presentations as well as £200 first prize and two runner-up prizes of £100 for the best posters. **Registration is free for all students, early career stage scientists and their supervisors/managers**, but we highly encourage students and early career stage scientists delegates to submit an abstract for poster or oral presentation to this exciting annual JPAG event.

The deadline for submission of abstracts is Thursday 3rd September 2020

This could be the event to provide a step-change to your professional career. Perhaps your future employer will be here.

Thursday 3rd December 2020

Data integrity II

Royal Society of Chemistry, London

Data integrity still continues to be a very hot topic for Industry and regulators alike. Data integrity still appears in the list of top five audit findings. This is a must attend meeting for anyone involved in addressing issues and challenges associated with data integrity.
